

Instructions for using AR

LET AUGMENTED REALITY CHANGE HOW YOU READ A BOOK

With your smartphone, iPad or tablet you can use the **Hasmark AR** app to invoke the augmented reality experience to literally read outside the book.

1. Download the [Hasmark](#) app from the [Apple App Store](#) or [Google Play](#)
 2. Open and select the  option
 3. Point your lens at the full image with the  and enjoy the augmented reality experience.
- Go ahead and try it right now with the Hasmark Publishing International logo.
