We have plenty of room, just avoid unusable space between exhibitors.

Please keep this in mind.

To help offset costs of our show: We will be holding a silent auction on Show Day. If you would like to donate an item for the silent auction, we would greatly appreciate your support. Item can be turned in when you check in your cattle.

Show Arena

Showmanship: 3:00pm Friday, May 6, 2022

The WI Jersey Spring Spectacular continues to be a successful event. As in the past, we are asking for your cooperation when stalling your cattle, storing your hay, straw, and show equipment.

You are allowed 5 feet per animal entered.

This space is to include all storage space and your fitting area.

We have 3 barns for stalling, same side of the road as the show arena.

Bedding and manure removal has become an area of concern and increasing expenses for cattle shows. We ask that you use modest amounts of bedding when stalling you animals. Please keep all strings, papers, cans, plastic bottles and other trash out of the bedding and manure piles. There will be trashcans available in the barns and around the show areas for our use. Please remember that each exhibitor is asked to pick up the trash in your exhibit area prior to leaving the fairgrounds.

All registration papers must accompany animal to show, or verification from AJCA. Tattoo or ear tag must be clearly visible.

Thank you,
WI Jersey Spring Spectacular Committee
